WHAT IF SOMEONE SAYS THEY DO NOT HAVE A PURSE TO DONATE?

Not everyone owns brand name purses, but they can still participate; ask them to consider giving a financial donation in place of a purse.

DO PURSE DONORS RECEIVE A RECEIPT FOR THEIR DONATION?

Yes! The **Ticket ID Form** that each guest completes allows us to know who donated the purse(s) and we send them an in-kind receipt for tax purposes.

WHAT HAPPENS TO PURSES ONCE THEY ARE DONATED?

Purse donations fuel our mission! Once a purse has been received, it is processed for online resale by women employed through our social enterprise, The rePURPOSE Project. As the donated purses are sold, the revenue is reinvested into the program to provide employment and education for more women.

WHAT IF SOMEONE SHOWS INTEREST OR OFFERS TO PURCHASE ONE OF THE BAGS COLLECTED AT THE EVENT?

When your guests donate a purse at an event, they believe the purse is going to One Purse directly. Please do your best to protect the resources that are entrusted to you for the benefit of our mission. The best response is to let them know that all purse donations are inventoried and sent to One Purse where they are rePURPOSED for resale and will be available for purchase on SHOPONEPURSE.COM soon after being received.
